Calling Our Office

If you are concerned about your infant exhibiting any signs of illness, please call our office at any time -- day or night -- at 303-699-6200.

Normal Business Hours

Our normal business hours are from 8 -12 and 1-5, Monday through Friday, and we are open from 8 a.m. to 11 a.m. on Saturday mornings to see sick children and newborns at our Centennial location. Our telephone lines are open at 7:30 a.m. Monday through Saturday to make early morning appointments.

After Hours

If your baby appears ill when our office is closed, our after hours service will ensure that you receive the advice and care that you need. Our Central Appointment Line, at 303-699-6200, will connect you with our answering service. The answering service will take some brief information and then will refer your call to The Children's Hospital After Hours Service. Registered nurses at Children's After Hours are available to answer your questions and determine the best course of action for you and your baby. One of our physicians is always on call to help deal with your concerns in conjunction with The Children's After Hours Service.
