Developmental Milestones

Toddlers 2 Years

Your Toddler May ...

- ◆ Stack 5-6 blocks
- ◆ Go up/down stairs one at a time; run
- ◆ Kick a ball
- ◆ Use two-word phrases
- ◆ Show interest in using toilet
- ◆ Like to say "no," "mine," and "I do it"
- ◆ Play alongside others more than playing with them
- ◆ Imitate adults
- ◆ Act shy around strangers
- ◆ Become easily frustrated

Please remember: All children grow and develop differently. Contact our nurse advice line if you have concerns about your toddler's development.
